USDA IIJA Funding Dashboard
Office of Analytics and Innovation

The U.S. Department of Agriculture (USDA) Infrastructure Investment & Jobs Act (IIJA) Funding Dashboard allows stakeholders to explore USDA programs that received IIJA funding, as well as IIJA monies awarded through USDA. This interactive dashboard displays information on IIJA-funded programs as reported by USDA to the White House and data on awards, such as contracts and grants, as reported by USDA to USAspending.gov.

The dashboard allows a user to explore available uses of IIJA funding and the amounts of IIJA funds obligated. It also presents the unaudited data at multiple levels of detail for users.

Contact USDA Office of Inspector General's Office of Analytics and Innovation at OAI-ADMINS@oig.usda.gov if you have any questions related to this dashboard.
